Sir,

I am directed to say that on the recommendation of the State Government, Govt. of India has been sanctioning funds for opening of new orphanages and expansion of existing orphanages etc. under centrally sponsored Plan Scheme. New Govt. of India have transferred the scheme to the State Sector with effect from 1.4.92 and have stopped release of their share.

You are, therefore requested not to forward applications of any Voluntary Organisations for opening of new orphanages and expansion of existing orphanages.

Besides, regular supervision may kindly be made in the existing orphanages of the district to ensure proper utilisation of Government grant for the purpose. The orphanages which are non-functional or with very limited wards should be closed in order to make the best use of limited funds available under State Sector.

Yours faithfully,
